

LH Water Volleyball By Candy Castro

In the fall we all start thinking about the holidays and family. No matter how busy our members are with other activities, they always find time to play water volleyball. It's nice to have a break, hit the water, and enjoy those rallies.

This month on October 13 is the "Fall Fling," our annual social party with a Hawaiian theme. Wear your favorite luau shirts and dresses. The price is \$20 per person, cash or check. Please label your payment and drop into the mail box on the side of the deck cabinet. The event starts at 5:00 PM -9:00 PM. at KS. There will be a no-host bar, dinner, and dancing. Direct any questions to Marianne.

In November it will be time to vote for Steering Committee members. We need people to step up, help out, and keep things going. We will have a few vacancies and some positions with those going for their second 2 year term. Our website will handle the voting with details to follow. These are the positions on the ballot for the 2019 Steering Committee: Secretary, Treasurer & Membership Chairperson, Training Administrator, Webmaster, Recreational Play Coordinator, Social Activities Coordinator, and Communications Coordinator.

For the last 2 years, new members have been introduced to our club by our spectacular orientation volunteer Rhonda George. Rhonda has probably conducted at least 60 orientations, which is the first step in joining our club. She plays up to 4 times a week and is a Level 5 Competitive player. She also is a member of the Recreational Subcommittee. Our club has been very fortunate to have such a great advocate. Thank you Rhonda for all that you do!

Rhonda came to Lincoln in July 2015 with boyfriend Dan all the way from Alaska. Her son, the oldest of 3 children, lives in Lincoln and has 2 boys. Rhonda loves those boys and spends a great deal of time with them. She also has 2 daughters. She works part time in the Wheatland School District with special needs children. She grew up in Arkansas on the family farm, which is over 100 years old. Her brother still lives there, and she visits when she can. She was a competitive softball player and played 1st base. Rhonda moved from Arkansas to Alaska in 1978 when she joined the Army. She served our nation for 3 years. She remained there for 36 years because she fell in love with beautiful Alaska.

Some of the activities that Rhonda enjoys are book club, with her Wheatland friends, and pickle ball. She and Dan play together as much as possible and sometimes they go dancing. Rhonda hopes someday to travel the states in a motor home.

The website www.lhwatervolleyball.com has the latest events and information. We also have a whiteboard for announcements inside the KS pool. Those interested in joining our club can reach our volunteers by using our club email sclhwatervolleyball@gmail.com.

See you in the water!
