

Water Volleyball Club

Summer has really become our most popular time to sign-up to join our club. Your first day in the water will be Saturday morning, one of our most popular time slots to play. You'll have a buddy to show you around making this first time just the beginning.

Mark your calendars for fall starting with our potluck at the Pavilion on September 9 from 5:30-7:30 PM. We will enjoy great food and grass volleyball. On October 13 will be the Fall Fling at the KS hall. This year's theme will be Hawaiian. Details will be announced later.

Questions can be sent to our email sclhwatervolleyball@gmail.com. Our website has pertinent information that keeps our members knowing "what's happening."

See you in the water!
